PROJECT FACTSHEET

Funded by the European Union

EU Initiative on Health Security

Duration: 01.01.2020 - 31.12.2024

Countries:
Armenia, Azerbaijan, Belarus, Georgia, Republic of Moldova, Ukraine

EU contribution: € 6 000 000

Total budget: € 6 000 000

Implementer:
European Centre for Disease Prevention and Control

Project description:
The EU Initiative on Health Security aims to set up a regional competent workforce for the prevention and control of challenges posed by transferable diseases and to enhance regional cooperation to tackle cross-border health security threats.

Expected results:
- Continuation and further development of MediPIET as Field Epidemiology Training Programme (FETP).
- Stronger countries' systems and capacities necessary to effectively assess, detect, respond and prevent threats from communicable diseases.
- Progressive integration of the partner countries in the work of ECDC.
- Enhanced regional cooperation in the field of preparedness, response and emergency operations.
