Project description:

The overall objective is to increase access to inclusive vocational programs to the children and youth with disabilities tailored to their developmental requirements and needs.

The specific objective is to design and introduce an inclusive traditional arts vocational programme for children and youth with disabilities in Baku city.

The project will contribute to the Sustainable Development Goal 4. "Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all; Target 4.5 by 2030, eliminate gender disparities in education and ensure equal access to all levels of education and vocational training for the vulnerable, including persons with disabilities, indigenous peoples and children in vulnerable situations".

Expected results:

- Cooperation Scheme of special schools and ICTA has been established;
- Curriculum is adjusted to the needs of the youth with disabilities and implemented;
- Access of unemployed adults and youth with disabilities to vocational education on traditional arts and crafts have been established;
- Training of trainers-instructors (ToT) in order to prepare them for inclusive vocational education is organised;
- The skills and employability of the graduates of the traditional arts and crafts program are increased;
- Awareness on EU best practice in inclusive education is increased.
