

EU4Digital: Cybersecurity East

Period of implementation: 27.11.2019 - 26.11.2022

EaP countries:

Armenia, Azerbaijan, Belarus, Georgia, Republic of Moldova, Ukraine

EU contribution: € 3 121 600

Implementing organisation(s):

GFA

Project description:

The "EU4Digital: Cybersecurity East" project focuses on further developing the approximation of all Eastern Partner countries to the EU basic pillars on cybersecurity, taking into account the different level of advancement between the partner countries.

Expected results:

- Strengthened national cybersecurity governance and legal framework across the EaP countries.
- Strengthened protection of critical information infrastructure in the EaP countries.
- Increased operational capacities for cybersecurity incidents management in the EaP countries.
