Project description:
The objective of the project will be to improve social inclusion and quality of care of people with disabilities in Azerbaijan by providing support to the Ministry of Labour and Social Protection of Population in the development of policies and rehabilitation system for people with disabilities based on European Best Practice. The project will start in April 2022 and will be continued till September 2023.

Expected results:
Required results:
1) Legal and institutional framework for transition from medical to social rehabilitation model for people with disabilities developed
2) Professional competence and capability of Disability Policy Department (DPD) and State Medical-Social Expertise and Rehabilitation Agency (SMSERA) for the development and implementation of policy for people with disabilities strengthened
