Layihənin təsviri:

The overall objective of the action is to facilitate trade and movement of people across the common border between Ukraine and Moldova, while preventing and combating smuggling and other border-related offences, crime and corruption, thus ultimately contribute to the security, stability and sustainable development of the region.

Gözlənilən nəticələr:

- joint video monitoring and pre-arrival information exchange carried out at selected road BCPs;
- joint patrolling capacities improved and response time to border incidents (including urgent search and rescue needs) on common blue border reduced;
- knowledge and skills on specialised equipment of relevant staff increased.
