Project description:

The overall objective of the project is to further develop Azerbaijan's higher education system through aligning it with a competence-based education approach. The project purpose is to increase the institutional capacities of the Ministry of Education, higher education institutions and the Agency for Quality Assurance in Education for the continued introduction of the principles, mechanisms, tools and policies of the European Higher Education Area (EHEA) and to ensure their consistent implementation and application supporting the shift towards a student-centred system.

Expected results:

- Selected National Education Standards are aligned to include a competence-based focus;
- Pilot Study programmes in priority areas of education are improved to be more student-centred;
- The quality assurance system is further developed to reflect the student-centeredness of study programmes;
- Recommendations on amendments of legislative and regulative framework developed.
